HIGHLY SUSTAINABLE HANDMADE GARMENTS

Empowering Women Through Handmade Apparel

Empowering Women Through Handmade Garments, Toys, and Home Décor. We are thrilled to share that we produce a wide range of high-quality, handmade products, including crochet garments for all age groups, beautifully crafted toys, and unique home décor items. These creations are made by a women-empowered group of artisans from rural villages across India.

By contracting and supporting these talented women, we provide them with meaningful employment opportunities and help them lead successful, independent lives. Through this initiative, we aim to preserve traditional craftsmanship while empowering women and fostering sustainable livelihoods in underserved communities.

Each piece we offer is not only a reflection of the artistry and skill of our artisans but also a step toward uplifting families and creating lasting positive change. Thank you for supporting our mission and for choosing products that make a difference!

Sustainably Crafted Handmade Products

We are proud to inform you that all our handmade apparel, toys, and home décor items are crafted using 100% sustainable materials, including organic cotton, recycled cotton, and recycled polyester. Our materials are certified by Global Organic Textile Standard (GOTS) and Global Recycled Standard (GRS), ensuring the highest quality and environmental standards.

We are committed to using only non-toxic, eco-friendly dyes and chemicals in the production process. By choosing sustainable fibers and ethical practices, we are not only creating beautiful, high-quality products, but also contributing to a greener, healthier planet.

In addition to sourcing organic yarns ourselves, we oversee the dyeing process in a certified factory, managed by our team of skilled professionals, ensuring that each item is crafted with care and precision.

We believe that sustainability is not just about the materials we use, but also the impact we have on the environment. By supporting our work, you're helping to create a greener, more sustainable world.

Please find below some of our beautiful products for your reference. Thank you for supporting our mission to make a positive difference for both people and the planet!

INFRASTRUCTURE

FACILITIES

We are financially sound with in-house fabric, cutting & stitching departments. Also we have good infrastructures with our out sourcing units on which they'll work with priority on our orders.

EMBROIDERY & PRINTING

Computerised multi embroidery machines to chain, loop stitch and chenneli designs up to 8-9 colors. All over print using rotary printing machine Stormac for all types of prints on machines like Hebbecker & MHM.

CUTTING

Band Knife Cutting machine used to cut sharp edges for baby wears and kids wears. Our fully automatic cutting machine with auto CAD help us to do complicated designs with accurate cutting-edge technology.

STITCHING

Garment sewing unit is done with proper lighting, good floor space and amenities. Legal and statutory norms with respect to social systems and physical facilities are provided. As a safety standard we are following necessary covid 19 precautions.

CHECKING

Checking is to trim all extra threads and also checks for stains and holes. All garments are 100% checked before packing. In the checking section the pieces are properly checked by efficient people.

IRONING

Automated ironing lines work in tandem to ensure smooth ironing of all the products. This line also serves as a final quality checkpoint before the products are packed.

PACKING

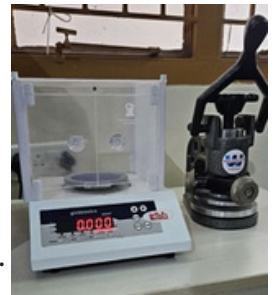

We buy our packing materials from leading suppliers and professional providers. We use Oeko Tex certified labels and tags produced from the certified suppliers.
